LETTERS OF RECOMMENDATION from STANFORD FACULTY

<p>1) Name of nominating faculty member: _____ Title: _____ Capacity in which s/he is associated with nominee: _____</p>
<p>2) Name: _____ Title: _____ Capacity in which s/he is associated with nominee: _____</p>

Nomination Packet - Collect the following materials for submission for each nomination:

- 2009 SGF Continuing Student Nomination Form
- Updated CV for the nominee
- Copy of the nominee's application to his or her current degree program
- Current, unofficial Stanford transcript
- A nomination recommendation letter from a faculty member in the nominee's home department that documents the nominee's engagement in research, gives evidence for the nominee's ability to make important contributions to knowledge, and provides examples of ways in which the nominee has shown potential for leadership in his or her discipline. If the nominee contributes to diversifying the graduate population of the program or department, the way in which s/he does so should be noted.
- A second letter of recommendation from a different faculty member.

Submit two paper copies of the nomination packet to the Office of the Vice Provost for Graduate Education, Building 310. Alternatively, email the nomination packet to stefmoss@stanford.edu, save as one PDF and title dept.lastname.allnom.PDF.
